## SAFE AND HEALTHY

### Working on/at shaker

#### Bending down when picking up trees

- Alternate tasks
- Regular short breaks

#### Prolonged standing

- Alternate tasks
- Regular short breaks

### Working at the loading crane

#### Falling stones, clods and other objects

- Do not walk under the load
- Wearing a safety helmet

#### Falling trees due to broken straps

- Do not use straps that are torn, damaged or have not undergone inspection

#### Crushed feet by the clod bucket

- Do not stand in the immediate vicinity of the clod bin, wear safety shoes

### Transportation equipment (tractors, shakers, articulated shovels)

- Riding only if designated by employer
- Do not ride along (on machines not intended for that purpose)
- Watch out
- Wearing safety shoes

### Plant protection products

#### Trees may contain pesticide residues

- Keep skin covered (preferably long pants, long sleeves)

### Harmful noise

#### Exposure to noise when working with some machines such as harvesters, in addition to tractors,

- Wearing hearing protection

### Outdoor/climate

#### UV radiation

- Keep skin covered - Wear sunscreen (at least factor 50), head protection

#### Storm

- In case of thunderstorm, go inside or

(company) car

### Rain

- Using rainwear

### Indoor/climate (sorting planting material)

#### Temperature

- Provide sufficient variety in tasks

#### Brightness

#### Humidity

### Allergic reactions

#### Allergic to wasp and humblebee stings, etc.

- Notify employer in advance so that emergency responders know what to do.
